**MOTORSPORT:** Adelaide driver Tom Drewer in his first race meeting in the V8 Giants category won the round at the Winton track in Victoria yesterday.

Drewer was driving Garry Wilmington's Falcon AU.

Drewer impressed immediately in his first time in the car, claiming pole position on Saturday. In the three races he was second, sixth and fourth. He crossed the line third in Race 3 but was penalised one position for being too aggressive when overtaking John Vergotis (also Falcon AU). However, he amassed enough points to win the round.
